

## EQUALIZATION DEPARTMENT

Manistee County Courthouse

415 Third Street • Manistee, Michigan 49660-1606 • 231-723-5957

## On-line Aerial Photo Instructions

Go to [www.manisteecountymi.gov](http://www.manisteecountymi.gov) and click on the Equalization Department on the left.

Click on the “Property Search” option under the Equalization Department

This will direct you to LIAA which hosts our property search and maps

**(If the County site is ever down, you can go directly to [www.liaa.org/manistee-parcels](http://www.liaa.org/manistee-parcels))**

Now search by parcel number, owner, or address number. Only one of the three options

The results of your search will then display, click on the parcel number with the line under it  
**(You may have to disable pop-up blockers for windows to appear)**

Now you will see a detailed parcel information screen for the current assessment year

Click the “Find Location on Map” option at the top of this screen to be directed to the county base maps

Now looking at the County Base Map window you will see just the base maps without the aerial

On the left of this page you can click on “Base Maps” for a drop down menu of different map options

To add the aerials, change the green circle to “Aerial Photo Map (2013)” and then click the “Update Map” button

Now the aerial photo for the searched parcel will load on the base map

You can now use the map tools on the left of the page to navigate

The “i” tool will allow you to click on any parcel you can see and it will load that original detailed parcel information screen for that particular parcel

There are other options that can be displayed on the map, just remember to “Update Map” after choosing other information
