Others Present: Sue Wagner, County Planning Director; Lynn Ware, Planning Director Assistant; Tim. Irwin, Betsy Keson and Renee' Ihlenfeldt, Alliance for Economic Success; Jay Raupp, Conservation District.

The meeting was called to order at 11:20 a.m.

Ms. Keson presented a power point presentation on a scenario for recycling in Manistee County. Ms. Keson explained where the townships and villages stood at the present time with recycling and what possibilities were feasible by October 2009.

The recycling committee has given their direction and support to go forward with the project that was presented. The Alliance for Economic Success has received a grant for \$30,000 and with this grant will oversee the project and perform the duties outlined in this scenario. Ms. Keson will be hired by the AES to work half-time, in a contractual position, over the period of October 2008 through October 2009. The AES will oversee the contractor and administer and manage the grant agreement with the USDA. The AES will report on the progress at least quarterly to the Manistee County Recycling committee. The primary liaison at the county level will be the County Planner, Mrs. Wagner.
