

MANISTEE COUNTY 2020 RECYCLING EVENTS

Manistee County Household Hazardous Waste Event

Dispose of your household hazardous waste (HHW) every year on the third Saturday of August at the Manistee Road Commission.

Manistee Road Commission
8946 Chippewa Highway (US-31 and 9 Mile Rd)
Bear Lake, MI 49614

What is Household Hazardous Waste (HHW)?

HHW is any product labeled: toxic, poison, combustible, corrosive, flammable or irritant that needs to be disposed of.

Why a collection day?

Proper disposal of HHW is important to prevent the spread of chemicals in our soil, air and water which helps protect our environment from pollution and our bodies from illness or even death. Improper disposal of HHW can include pouring them down the drain, on the ground, into storm sewers, or in some cases putting them out with the regular trash.

Who can participate?

All residents of Manistee County can participate. Items will only be accepted on August 17th during scheduled hours, 9am to 1pm. The drop-off event is free to residents, but a \$10 suggested donation will be gratefully accepted to help keep the program running!

What should I take?

A typical household can accumulate many hazardous products from around the house, garage, workshop, and shed. Dispose of any unused, unwanted or outdated cleaners, pesticides, medications, electronics and more!

For more information visit the Manistee Conservation District website ManisteeCD2.org

Manistee County Scrap Tire Drop-off Events

Manistee County residents will have the opportunity to properly dispose of their unwanted standard passenger and light duty truck tires made possible by a Michigan Department of Environment, Great Lakes, and Energy Scrap Tire Cleanup Grant.

Who: Manistee County residents **ONLY**

ID required – valid Michigan Driver’s License, State Issued ID, recent utility/tax bill

What: Standard passenger and light duty truck tires **ONLY**

Must be clean and off the rim

Fee of \$2 per tire

When: Saturday, September 26, 2020

10:00am to 2:00pm

Where: Bay Area Recycling for Charities

14407 Industrial Drive, Kaleva

Why: Tires are banned from landfill disposal, act as breeding grounds for mosquitos, are a fire safety hazard and are a blight to the natural beauty of our county

Volunteers are needed to help staff the events. If you are interested in volunteering or have questions about the events please contact Manistee County Recycles at 855.2Go.Zero (855.246.9376) or kaela@iriswastediversion.com.
