- C. Public Comment.

Anyone wishing to address the Planning Commission.

All public comment on all agenda items should be presented at this time. After this, public comment is normally not allowed, however sometimes the planning Commission may direct questions to member of the public. Public comment occurs at the beginning of the meeting so the Commission can hear concerns and questions before acting on an issue. It is anticipated those making public comment are familiar with the issue and have prepared comments ahead of time. To help being prepared before the meeting a staff report other handouts are made for most agenda items. These are done before the meeting. If a member of the public wants a copy of any handouts to better prepare and anticipate discussion, please call the Planning Department Office so one copy can be sent to you without charge.
