POSSIBLE FUNDING TOWARDS NEGLECT/ABUSE CASES

Judge David Thompson distributed an email concerning the billing of administrative costs of attorney fees for Neglect/Abuse cases if the child(ren) are candidates for Title IV-E. This would reduce costs to the County and the cost would be reimbursed 50% with federal dollars that passes through state government.

In speaking about attorneys and N/A cases. Judge Thompson stated that both Manistee and Benzie Counties do not have enough attorneys to be appointed to these types of cases. Some N/A cases require 3 or 4 attorneys to each case (represent Mother, Father, Guardian at Litem (GAL) and most of the time there is more than one Father to these types of cases.) Judge Thompson encourages the County, as a funding unit, to look into having one (1) attorney from the Public Defender's Office be devoted towards N/A cases.

Judge Thompson briefly mentioned the Trial Court Funding Commission. Where initially Judges and Court Administrators would become state employees. Judge Thompson commented he wasn't sure if it was a good or a bad thing. Commissioner Schmidt will learn more on this subject at his meeting in Lansing this week.

WAGES FOR COURT EMPLOYEES

Anticipated wage increases in Manistee County are approximately 2% +/- . It was noted that healthcare costs have decreased for Manistee County and healthcare premium costs will stay at 9%, which if the healthcare costs have decreased, the 9% of that cost will be less. Judge Thompson would like to see employees who started at a higher step when hired because of their skill set, that they do not stay in that step until their years of service equal that step. It is holding them back for starting at a higher step. He would like to see that changed. All Judges struggle with new hire placement into the pay scale. It is already difficult to find and retain qualified candidates. Ms. Sagala will look into or budget for a wage study to include condensing the wage scale. This will be placed on the next Personnel Committee Agenda.

BENZIE COUNTY SPACE NEEDS STUDY

Commissioner Gary Sauer reported that Benzie County is conducting a Space Needs Study which is almost complete. Mr. Sauer requested the Courts participation in the assessment of what is needed by the Courts. Currently, DHHS leases space in the Government Center and their contract coincides with bond costs, there is no out clause in this contract. This is being worked on but consideration has to be given to DHHS for space at this time.

OTHER ITEMS FROM COMMITTEE MEMBERS, JUDGES AND STAFF

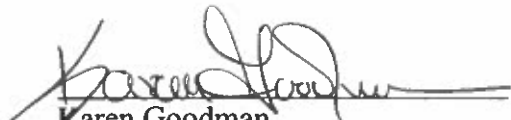

COURT SECURITY COMMITTEE

Michigan Supreme Court Administrative Order (AO) #2019-1 which establishes a Courthouse Security Committee, Local Administrative Order (LAO) #2018-01J which is in accordance with Administrative Order #2001-1 and #2019-1 (Appendix B) which addresses a Security Policy for Court Facilities were distributed to the Joint Court Committee. This Committee will convene by invitation. Jeff Dontz hopes this will tie in with the Public Safety Committee in Manistee. Mr. Sauer believes that Benzie County may have to expand their efforts regarding safety and security. Discussion as to the metal detector now being used at the main Courthouse and Government Center in Manistee followed. All people have to be screened and we need to use this as an educational tool, maybe including a press release as to why security is important. If people refuse to be screened, they could be held in Contempt of Court since there is a Local Administrative Court Order or if they become disruptive, the Prosecutor and Police could pursue Disturbing the Peace charges. Trespass charges could be pursued if the County Board passes a resolution to this effect. Hopefully, it won't come to that. Judge Thompson advises the County to consult with the Prosecutor, their legal counsel in regards to this. With the metal detector and screening, it is amazing what weapons have been stopped coming into the Courthouse and Government Center. Connie Krusniak thanked the Baliffs for security screening and all agreed there is a good team at the Courthouse. They are skilled and good with people, and they do a great job.

The meeting was adjourned at the Call of the Chair at 3:41 p.m.

Update on the Regional Public Defender's Office

Jared Henry, Chief Public Defender stated that his official start date was Monday, March 18, 2019. Prior to that he finished the job descriptions for 3 Associate Public Defenders, 1 Chief Assistant Public Defender and 1 Administrative support personnel. Posted for 2 Associate Public Defenders, 1 Chief Assistant Public Defender and 1 Administrative support personnel. Submitted a budget adjustment to change the remaining Associate position to another Chief Assistant Public Defender to allow a fulltime Chief Assistant Public Defender in both Manistee and Benzie Counties. Heard back from Rebecca Mack, Grant Coordinator, that was approved Tuesday. We will use quarter 1 and 2 cost savings to fund this. Conducted interviews for Chief Assistant and Associate positions and will have offers made for those positions by the next time we meet. Manistee County office has all computers and printers installed. Benzie County office is working on painting and carpet, furniture has been ordered.

**Joint Court Meeting

March 21, 2019**

Mitch Deisch stated that carpet is installed, painting will be completed next week, furniture ordered and will be here the first week of April. Security on the doors are in place, treatment on glass is completed.

Jared Henry stated there are questions regarding case management software and have scheduled 3 case management software companies in two weeks, with Gordon. We decided to go web base, so the attorneys will be able to have access from their laptop, when meeting with clients. Working with Graycon for a website.

Jeff Dontz ask if the courts have their own website access or page.

David Kieft stated that he met with the website advisory committee this morning. Manistee will have one website with pages for the courts, public defender's office and other departments.

Mitch Deisch stated Benzie will have one website with pages allocated for the indigent defense.

Jared Henry stated he is working with legal research companies with Mr. Kelley helping him.

Legal books have been ordered. Proposed passage of standards 5 and 8 should be pass within the next 3 months. Commission reconvene on April 16, 2019. Counties do not have to satisfy these standards until 2021. Working on budget for 2020, it is due in April. Plan on having the offices up and running by mid-May. Currently there is only 1 support personnel for both counties, but I will put in the budget for 2.

Discussion regarding cost of administration of Public Defender contract

David Kieft stated that Manistee is handling the payroll and accounts payable for both counties. Checking to see if we can charge an administrative fee in the contract.

Jared Henry stated that he heard back for Rebecca Mack and she stated that the administrative fee can be included in the budget.

Discussion regarding raise the age legislation and potential impact on Juvenile Court

Cameron Clark discussed his concerns regarding the age legislation that has being proposed. Michigan in one of 5 states that treat 17 years old in the adult system. This year it is a legislative priority and they have had two weeks of hearings in the Senate. There is a packet of 15 bills that are being pushed hard. There are two big issues that need to be ironed out. First is how are we going to pay for it. When you add 17 years old to the caseload it changes dramatically. The State is trying to figure out how to fund this. Second issue is implementation. In the 2019/2020 budget they may send us money for planning. Then in the 2020/2021 budget we may see the 17-year old on our juvenile dockets. It looks like this is going to happen. Concern is we currently have 15 and 16-year-old high risk child that we may be extending supervision and programs for another 12 months.

Sara Swanson, Benzie County Prosecutor, stated that there are very few 17-year old's that we charge in the adult court. We try to do programs that defer prosecution.

Other Items from Committee Members, Judges and Staff: -

Mitch Deisch stated we have two key projects we are working that impact the Joint Court and MIDC. Finals draft of the financial review has been approved and space need study.

All items on the agenda having been handled, the meeting is adjourned at 3:33 p.m.

AO No. 2019-1 — Establishment of Court Security Committees

[Entered March 13, 2019.]

The issue of courthouse security is of vital importance to ensure the safety of the public, litigants, and the judicial employees of this state. Therefore, it is ordered that each chief judge or, in any facility with multiple chief judges, one chief judge as designated by consensus of the chief judges, establish a standing courthouse security committee to be chaired by the chief judge or his/her designee. The members of the committee shall include representatives of the court's funding unit, local law enforcement, the Clerk of Court, and other facility stakeholders. The courthouse security committee is responsible for creating and promoting policies and procedures to improve the safety and security of the courthouse.

Each court shall submit to the State Court Administrative Office (SCAO) a local administrative order that establishes the courthouse security committee in accordance with the model local administrative order developed by the SCAO. Courts with multiple chief judges in one location and courts that have multiple locations must follow the instructions provided by the SCAO for establishing the standing courthouse security committee. In developing the security committee, courts are directed to work with local funding units and to collaborate with other entities in shared facilities, where appropriate.

Proposed local administrative orders must be submitted to the SCAO no later than September 1, 2019.
