P.A. 69 RECYCLING UPDATE

Karla Smith-Kasten presented the Recycling Program Report of May 26, 2022. (APPENDIX A)
There was a substantial increase in volume for the month of April from 2021 to 2022. This could
be due to the change in haulers to GLF and the way they measure volume from the previous
company.

Bear Lake has located a new site on Smith Street. (APPENDIX B) The township has approved the site. Bear Lake Schools owns the site and a contract is being prepared for the school to sign. The site will start with 3 bins and will adjust from there based on the volume of material. Students from the Bear Lake High School science class will monitor the site.

Arcadia and Onekama have added one additional bin to their sites. There have been several issues with the KND Seeds trailer in the last several months. The site is being monitored with a trail cam and another person has volunteered to take care of the trailer for now.

OTHER ITEMS FROM COMMITTEE MEMBERS

None.

The meeting was adjourned at the Call of the Chair at 8:50 a.m.
