GREEN TEAM/RECYCLING COMMITTEE MINUTES

Thursday, June 22, 2023
8:30 a.m.

Manistee County Courthouse & Government Center
Board of Commissioners Meeting Room

MINUTES

Members Present: Nikki Koons and Margaret Batzer, Chairperson

Members Absent: Eric Gustad

Others Present: Karla Smith-Kasten, Bay Area Recycling for Charity; Phil Landis;
Renee Mallison, Manistee Conservation District; Lisa Sagala,
Controller/Administrator; Lindsey Marquardt, County Clerk Clerk

The meeting was called to Order at 8:32 a.m.

NOTE – Items requiring Board Action are indicated in BOLD

PUBLIC COMMENT

None.

P.A. 69 RECYCLING UPDATE

Karla Smith-Kasten appeared before the committee to present the P.A. 69 Recycling Program Report of June 22, 2023. (Appendix A) Volumes for year to date are at 175,500 pounds. The scrap tire event is set for July 29, 2023 and the Household Hazardous Waste (HHW) event is set for August 19, 2023. (Appendix B) There was discussion regarding P.A. 69 & 115 and collaboration opportunities.

DISCUSSION REAGRADING NICRA

Renee Mallison included follow up regarding NICRA (Negotiated Indirect Cost Rate Agreement) questions from the last Green Team meeting. (Appendix C) This topic will be ongoing and will be included in further Green Team agendas.

OTHER ITEMS FROM COMMITTEE MEMBERS

None.

The meeting was adjourned at the Call of the Chair at 8:55 a.m.

ABSENT
Eric Gustad

Nikki Koons

Margaret Batzer, Chairperson

MTA - Next Meeting June 28,2023 at Manistee Township - 7:00 pm

HHW collection will be at the Manistee County Road Commission, 8946 Chippewa HWY, Bear Lake Mi. from 9am to 1 pm, on August 19, 2023. Suggested Minimum Donation is \$15.00. Last year 26,428 lbs of materials were collected in Manistee County. The Manistee County Conservation District request HHW - Next meeting will be August 19, 2023

Tire Event, July 29, 2023 - Renee Mallison, Manistee County Conservation District Secured the Egle Grant for the Tires and the hauler. The Tire Event will take place at B.A.R.C. at 14407 Industrial Drive, Kaleva Mi. 49645. Brown Township Supervisor Paul Adamski and a group of students from Bear Lake High School will be volunteering for the tire event this year.

RECYCLING SITE

Arcadia - 4 - 5 Bins, 2 year Contract. GFL is picking up twice weekly

Bear Lake Township - 3 Bins and a 1 year Contract. I will be attending August 2023 meeting for contract renewal. *GFL is picking up twice weekly*

Cleon Township- 2 Bins, 2 year

contract. A semi trailer parked by the recycling bins no plates or identification. Have received a number of calls. Betsy Valley Cardboard trailer has been gone for about a 6 weeks. Jesse Zylstra Benzie County Recycling Coordinator is checking into it and had reached out about the status. **Dickson**

Township - 2 Bins, 2 year Contract

Maple Grove Township - 3 Bins, 2 year Contract

Manistee Township - I attended a meeting and started dialog on March 9, 2023 and again on June 8, 2023. I will continue to talk with them. A number of residents from the Township have reached out to me about having recycling in Manistee Township. Residents are asking if they can pay for recycling themselves and take it to one of the other sites.

Marrilla Township No Bins, Renew 2 year Contract

Norman Township - I attended the Norman Township Meeting and provided some basic information on the PA69 program on April 11, 2023. I plan to attend a July or August meeting. Norman Township is gathering additional information about the current contract they have.

Onekama Township - Has 4 to 5 Bins. 2 year Contract. GFL is picking up twice weekly. Pending EPA Grant

Pleasanton Township - January 3, 2023 received 2 Bins to start with. 2 year contract

Springdale Township - 2 year contract with no on-site Bins.

HOUSEHOLD HAZARDOUS WASTE COLLECTION 2023

Volunteers Appreciated

Measurable Impact

Manistee County collected 26,428 lbs of hazardous waste in 2022!

Electronics:	5,738 lbs
Oil/Auto Fluids:	3,438 lbs
Oil-based Paints:	5,544 lbs
Pesticides:	1,996 lbs
Pharmaceuticals:	223 lbs
Other Hazardous Waste:	9,489 lbs

Thank you for doing your part!

Safe disposal of hazardous waste not only protects our local natural resources but also our health.

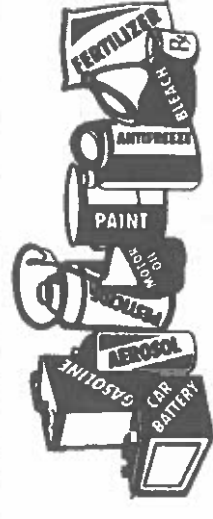

Tips for Safe Transport of Hazardous Materials:

- Keep items in their original and labeled containers.
- Do not mix contents of unknown or unlabeled containers.
- Do not transport containers with open lids.
- Secure all containers so they cannot slide, tip or spill contents; away from passengers.
- 55 gallon drums must be removed from premises by producer.

This collection is a service to the community and it takes many volunteers on the day of the event to ensure this program continues.

We are looking for dedicated participants! Volunteers are needed to collect surveys, direct traffic, sort batteries, and unload electronics. If you would like to be involved, please contact Manistee Conservation District.

Clean Sweep is made possible by a strong and unique state, federal, local, and industry partnership.

Manistee County

Dispose of unused, unwanted, outdated cleaners, pesticides, pharmaceuticals, electronics, batteries & more

August 19, 2023

9 am – 1 pm

Manistee County Road Commission
8946 Chippewa Hwy • Bear Lake, MI

Suggested Minimum Donation: \$15

Thank you to Michigan

Department of Agriculture's Clean Sweep Program, the Manistee Conservation District, the Household Hazardous Waste Committee, United Way, Manistee County Community Foundation Environmental Fund, contributions from local county government including townships, villages, and cities within the county, and personal donations.

- **No Latex Paint

From Your Farm, Yard & Garden

- Algaecides
- Fertilizers
- Fungicides
- Herbicides
- Insecticides
- Insect killers/repellants
- Mouse/rat poison
- Pesticides
- Pool chemicals
- Weed killers

Items Not Accepted:

- ⇨ Ammunition
- ⇨ Explosives
- ⇨ Household trash
- ⇨ Latex paint
- ⇨ Infectious meds
- ⇨ Radioactive materials
- ⇨ Tires
- ⇨ Styrofoam
- ⇨ Waste from spills
- ⇨ Fiberglass

Disposal options for these items:

Ammunition/Explosives: Sheriff's Dept.

Latex Paint: Latex paint is not considered HHW and can be disposed of in the trash. Remove lid, add cat litter & dry out the paint prior to disposal.

Tires: Scrap tire collection is scheduled for Saturday, July 29 from 9am-12pm at Bay Area Recycling for Charities in Kaleva. Tires are also accepted for a \$3 fee at Manistee Tire for car and light truck tires.

If you miss our collection day, see below for locations that take HHW throughout the year:

Motor Oil, Transmission Fluid: AutoZone, Advanced Auto Parts and Auto Value.

Large Appliances: Larry Bowling (231) 970-0012.

Prescription Medications: Pharmaceuticals are accepted through the Red Med Box program, located at Family Fare, Manistee City Police, Manistee Sheriff's office, and The Little River Band of Ottawa Indians Tribal Police Station.

Sharps: District Health Department #10
Electronics: Bay Area Recycling for Charities

Who can use the program?

Manistee County residents only. Hazardous waste will not be accepted from businesses except for pesticides in which case pesticide users such as agribusinesses, greenhouses, nurseries, and golf courses can use this service.

Which appliances will be accepted?

Small appliances such as microwaves, small refrigerators, dehumidifiers, and window air conditioners. We also accept large appliances including full-size refrigerators, stoves, and freezers. There is a \$10 fee for items containing Freon.

Which electronics will be accepted?

TVs, DVD and CD players, VCRs, radios, phones, gaming systems, answering machines, fax machines, etc. Computers and computer accessories are also accepted including desktop and laptops, keyboards, modems, printers, scanners, and speakers.

Is there a limit to how much I can bring?

Pre-registration is required for amounts exceeding 200 pounds. Please call the Conservation District at (231) 889-9666, ext 3.

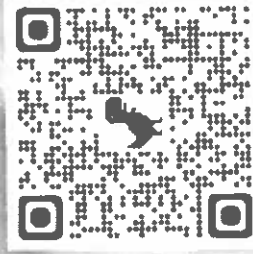

Can I drop off HHW before/after the event?

No. Please drop off hazardous waste at collection sites only during scheduled hours. This is an annual event held the 3rd Saturday of August each year.

Is there a fee on collection day?

Donations are crucial to help cover the \$60,000 it takes to host the event in three counties. Suggested minimum donation of \$15 is appreciated!

SCRAP TIRE RECYCLING EVENT

- Manistee County Residents only
- Limit 10 tires per vehicle, per visit
- \$2.00 per tire, cash only
- Tires must be clean
- Standard passenger & light-duty truck tires only
- No commercial businesses or farms; household & residential tires only

Subject: Green Team NICRA Update

Hello everyone,

I am following up on the NICRA questions from our last Green Team meeting. I apologize but I do not have the complete email list for everyone on the Green Team committee and am hoping if I missed anyone you would forward the email along. Dani McGarry, Mason-Lake CD Executive Director has provided the following answers to our questions. She has applied and received a NICRA (Negotiated Indirect Cost Rate Agreement) in the recent past. I have also put a link at the bottom of the email to the EPA's NICRA Information page. Dani also shared with me her previously approved NICRA application for our use as a guide if the County or MCD moves forward with a NICRA application. I hope this information helps answer all the questions we discussed and will see you all soon at the next meeting.

1. Does the State of Michigan have a NICRA application/agreement that you know of?

Dani's answer:

There is no template that I'm aware of. Each Federal Agency has their own process for how this is approached, so the County would have to work with the NICRA contact for the federal agency providing the largest amount of federal dollars to the county (this is referred to as the "cognizant agency"). Once the NICRA is in place, other agencies would follow it.

Some state agencies have their own NICRA with federal agencies (for example, I know the DNR has a NICRA with EPA to for federal funding). However, they are such a large agency, I don't think that their NICRA would relate to what we need at our level or county level to be used as a template.

2. Does having a NICRA with a higher admin % than other applicants affect the scoring of the grant, making NICRA holders less favorable for getting a grant award?

Dani's answer:

Question 2 might be better to ask a grant administrator. My understanding is no, it should not negatively affect an application. It can actually be a benefit, in some cases, because if you have a NICRA in place, you can waive some or all of it and use it as your match toward the grant. Example - the County has a NICRA rate of 17% and applies to an EPA grant requiring 20% match. The county could say they'll waive claiming their indirect (17%) and only need to come up with another 3% match.

[EPA NICRA Information](#)

Thank You,
 Renee Mallison
