P.A. 69 RECYCLING UPDATE

Karla Smith-Kasten presented the Recycling Program Report of June 23, 2022. (APPENDIX A) Volumes for 2022 are similar of that from 2021, however, it should be noted that last year's numbers included Springdale Township. The Manistee Conservation District will be having the Scrap Tire Event, Saturday, July 23, 2022, at Bay Area Recycling for Charities. Students from Bear Lake Schools will be assisting in this event again this year.

Bear Lake Township has located a new site and GFL has found it to be adequate for the bins to be located. The site will start with three (3) binds and adjust from there. GFL is unable to do

pickups more than once a week at this time, due to staffing. Arcadia and Onekama have had an additional bin placed to assist with volumes. The SEEDS Coordinator is unable to continuing monitoring the Maple Grove and Cleon sites, they are being maintained by volunteers at this time.

With the rising fuel costs, the hauler has had to include a fuel surcharge. Karla inquired as to the possibility of a per parcel increase. Lisa Sagala would like to keep that option as a last resort. Karla and Lisa will review the submitted budget for FY 2022/23 to see if an adjustment needs to be made to cover fuel surcharges.

Karla included a copy of the Recycling Program Interlocal Agreement. (Appendix B-2) She would like to have it reviewed and make any necessary changes prior to approaching townships for their renewals. There was discussion regarding possibly extending the contracts to 2 or 3 years, with a possible out clause, should an entity need to leave the program.

OTHER ITEMS FROM COMMITTEE MEMBERS

None.

The meeting was adjourned at the Call of the Chair at 9:05 a.m.

Additional Bins and Site Information

Arcadia - Has one additional bin added in May and also one an additional one added in June.

Onkama - Has had one additional bin added in May and another in June.

Maple Grove - Seeds Trailer - (PCA) We have had several issues with the KND Seeds trailer in the last several month. We are monitoring the site with a trail cam and another person has volunteered to take care of the trailer for now the funds can continue to benefit KND until Seeds finds another Coordinator.

Cleon - Seeds Trailer - Is also being monitored by others so KND can continue to receive the benefits until a new Coordinator is found

Household Increase?

In accordance with P.A. 138 of 1989 as amended by P.A. 69 of 2005 allows by resolution the County Board of Commissioners, the imposition of a surcharge on households within the county up to a maximum of a \$25.00 fee per households to provide for waste reduction program for collection of consumer recyclable materials, as defined by Act 641, P.A. 1978, as a household hazardous waste. At this time we are at \$18.00 per house hold. Would the County Commissioners entertain an increase to help cover the 2023 budge of \$1.00 to \$1.50 per household?

Interlocal Agreement

Please find the attached Interlocal Agreement. It is generic. When the verbiage is approved I will make copies for all the applicable parties. I will plan on attending the July 19, 2022 County Commissions meeting to present and answer any question

RECITATIONS

Manistee County as required by P.A. 641, 1978 as amended, has adopted a Solid Waste Management Plan on June 16, 2009.

XXXXXX Township, by resolution, also adopted the Manistee Co Solid Waste Management Plan as its guideline for addressing the Solid Waste Management issue of the County.

Manistee County, and the City, Townships and Villages are responsible for funding and providing recycling, composting, and hazardous waste collection program in Manistee County, as stated in the plan.

P.A. 138 of 1989, as amended by P.A. 69 of 2005 allows by resolution of the County Board of Commissioners, the imposition of a surcharge on households within the County up to a maximum of a \$25.00 fee per households to provide for waste reduction program for the collection of consumer recyclable materials, as defined by Act 641, P.A. 1978, as household hazardous waste, tires, batteries, and yard clippings.

Adequate funding is necessary for a continued recycling program plan with the County Solid Waste Management Plan.

The Revenues collected for this program are held with the County Treasurer and are used solely for recycling.

STATEMENT OF AGREEMENT

Based on the above-state- of facts, Manistee County and XXXXXX Township hereby agree to impose and collect by the County Treasurer of an annual surcharge of \$----- per resident parcel to cover cost of waste reduction programs and collection of consumers recyclable materials as defined by Act 641, P.A. 1978. All funds to be collected will be administered by Manistee County to develop, implement, and administer a recycling program in accordance with State Statute and the Manistee Co Solid Waste Plan. The term of the agreement is January 1, 2023, thru December 31, 2023.
