RETURN TO REGULAR SESSION OF THE BOARD OF COMMISSIONERS

RESOLUTION #2023-16

MANISTEE COUNTY BOARD OF COMMISSIONERS

**COUNTY OF MANISTEE
GENERAL APPROPRIATIONS ACT - 2023**

A Resolution appropriating monies and adopting the FY 2023/24 Manistee County General Fund budget, and FY 2023/24 Supplemental Fund budgets.

It being the finding and opinion of the Manistee County Board of Commissioners:

The County Board of Commissioners has taken into consideration the taxes of local units of government and the budgetary needs of various County departments/budgetary units.

The County Board of Commissioners, after considerable deliberations, has recommended adoption of the FY 2023/24 Budget.

In recognition of the above-listed findings and opinions:

The Manistee County Board of Commissioners hereby resolves to levy, under the General Property Tax Act, the total millage of 9.1478 mills for FY 2023/24 operations. Included in this total millage are:

County Allocated Operating 5.5000

Medical Care Voted	.4927
9-1-1 Voted	.9855
Dial-A-Ride Voted	.4927
Council on Aging Voted	.4680

Conservation District	.1250

The Board further resolves to adopt the FY 2022/23 General Fund Operating Budget at a total of \$13,964,888 and FY 2023/24 Supplemental Fund budgets totaling \$12,904,831.

The Board further resolves to approve all wage increases for FY 2023/24 in accordance with the Union Labor Contracts and various other agreements reached between the Manistee County Board of Commissioners, and the Elected Officials, employees, and Chief Judges of the Circuit, District, and Probate Courts.

The Board further resolves that the FY 2023/24 Budget will follow the philosophy of a Departmental expenditure control budget for all County Departments and Courts with specific end results with a basic approach as follows:

In the event that a department finishes the fiscal year with non-personnel related funds continuing to be available, one-half of that amount would be set aside into an account, not exceeding \$10,000, specifically dedicated to departmental purchases following the County Policy and Procedure for Contingency Funds. The other one-half of any annual budget underrun would revert to the Manistee County Contingency balance for use at the discretion of the County Board of Commissioners. The Board resolves to implement this program subject to modifications which may be required and subject to elimination of the program.

The Board further resolves that an appropriation is not a mandate to spend but shall limit the amount which may be spent for such purposes as are defined by the Board of Commissioners and which shall be limited to the time period of October 1, 2023 through September 30, 2024. The Board further resolves that any County department, Court, agency, board, commission, or unit whatsoever, and any organization, public or private, which accepts a County appropriation, shall do so subject to an agreement which provides for an inspection and/or audit by the Manistee County Board or its designee. The Board or its designee shall have access for the purpose of audit and examination to any and all books, documents, papers, and records of the recipient organization. Each funded agency shall also be required to provide the County with its annual budget each year.

The Board further resolves that in the event the State of Michigan fails to provide certain revenue transfer payments as required by State law and/or contractual agreements between the State of Michigan and Manistee County, the specific programs funded by such State revenue transfer payments shall bear the full impact of such revenue reduction. In the event the State of Michigan defaults or otherwise fails to provide general, unrestricted revenue transfer payments, the Board, upon the recommendation of the Ways & Means Committee shall allocate said revenue reduction in its legislative judgment. **The Manistee County Board of Commissioners cannot and will not absorb the program costs created by revenue transfer payment default by the State of Michigan.**

The Board further resolves that the budget may be amended as conditions indicate, provided the budget remains in a balanced state.

The Board further resolves to authorize the Board Chairman and County Clerk to sign the amended form L-4029 which is attached to this resolution, and which lists the millage to be levied on December 1, 2023 and July 1, 2024 totaling 9.1478 mills.
