INTRODUCTION

FY 2016/17 BUDGET INTRODUCTION

MISCELLANEOUS BUDGET ADOPTION INFORMATION

On Tuesday, August 16, 2016, the Manistee County Board of Commissioners adopted a General Appropriations Act Resolution, which approved a total County millage tax levy of 8.73 mills for FY 2016/17 operations. This resolution also approved a General Fund operating budget of \$10,983,512 and Supplemental Fund budgets totaling \$7,474,748. For purposes of reviewing this budget, please note that it only includes the 5.5000 mills of County operating millage. The remaining 3.2300 mills are included in various other budgets which are approved and managed by other entities.

GENERAL FUND REVENUE INFORMATION

General fund revenue is generally broken down as follows:

1. Property Taxes (54.36%) =	\$5,970,116
2. State Reimbursement – Personal Property (1.91%) =	\$210,000
3. State and Federal Grants/Reimbursements (11.21%) =	\$1,231,247
4. Miscellaneous Fees, Rents, Fines and Reimb. (14.02%) =	\$1,540,038
5. Benzie Reimbursements (Wage/Fringe/OPEB) (5.98%) =	\$656,294
6. Transfer In – Other Funds (Tax Revolving fund, Fund Balance, Foreclosure fund, Drunk Driving Caseflow fund, FOC fund (5.92%) =	\$650,724
7. State Revenue Sharing (5.01%) =	\$550,583
8. Casino Payment in Lieu of Taxes Grant (1.59%) =	<u>\$174,510</u>

Total = \$10,983,512

Property tax revenue is budgeted to increase 1%. The actual increase will not be known until the Equalization report is presented in April 2017. Many Court functions are shared with Benzie County. All Court employees are paid by Manistee County, and participate in Manistee County's fringe benefit program. Benzie County reimburses Manistee County for a portion of this expense including an administration fee. The 911/Central Dispatch employees and Library employees are also paid through Manistee County's wage and fringe benefit program and pay an administration fee for this service. State and Federal grants are received for a portion of many programs in the Court and Sheriff's Office. State Revenue Sharing is fully funded by the State of Michigan. The Casino PILT payment is budgeted at slightly less than in previous years because the Taxable value of the Casino is reduced pursuant to a recent appraisal. By policy, the County transfers 100% of the previous year tax revolving fund revenue to the general fund for specific operations. This is

done because the Tax Revolving fund is now fully funded. Specific revenue from the Foreclosure fund is transferred to the General fund to offset a debt to the Tax Revolving fund for a previous loan for jail expansion. The Drunk Driving Caseflow fund transfer is used to offset specific Court related technology maintenance contracts. The General Fund budget is balanced with \$188,732 budgeted from existing fund balance. Even though these funds are budgeted, it is always the goal to close the year with a surplus which would eliminate the need to use this fund balance.

GENERAL FUND EXPENSE INFORMATION

General fund expenses are generally broken down as follows:

1. Public Safety (Sheriff, Jail, SSCENT Drug Enforcement, USFS Patrol, Court Security, Marine/Snowmobile, Secondary Road Patrol, K-9, Emergency Mgt., Animal Control, Medical Examiner, Prosecuting Attorney
(Does not include debt) = (35.57%) \$3,906,256
2. Courts (Circuit, District, Probate, Juvenile Division, Probation, Friend of the Court, Law Library, Jury Commission) = (25.44%) \$2,794,685
3. General Government Services (County Clerk, County Treasurer, Equalization, MSU Extension, Register of Deeds, Drain Commissioner, County Planning) = (12.65%) \$1,389,834
4. Building and Grounds (Does not include debt) = (4.40%) \$483,028
5. Debt and Other Post Employment Benefit Contribution (Jail and Courthouse renovations) = (4.08%) \$448,667
6. Health and Human Services (Michigan Works Board, Contagious Disease, Human Services Board, District Health, Centra Wellness, Substance Abuse, Area Agency on Aging, Human Services Collaborative Body, 2-1-1) = (3.67%) \$402,839
7. County Administration = (3.43%) \$376,211
8. Miscellaneous Contingency, (Audit and Legal expense, Insurance, Equipment contracts, etc.) (3.52%) \$386,807

9. Technology =	(3.37%) \$370,000
10. Airport =	(1.05%) \$115,000
.	
11. Economic Development and Recreation (Alliance for Economic Success, Networks Northwest, Manistee , Recreation Association, Fair Board) =	(.96%) \$105,692
12. Legislative (County Commissioners, Plat Board, Revenue Sharing Board) =	(.96%) \$105,288
13. Veterans Services =	(.38%) \$41,750
14. Elections =	(.32%) \$35,455
15. Recycling (Transfer Out and Hazardous Waste) =	<u>(.20%) \$22,000</u>
Total =	<u>(100%) \$10,983,512</u>

As you review the General Fund budget, please note that some budgets include a Transfer Out to Other Funds, which means that the total amount being spent on a particular program is shown in the supplemental fund budgets. The amount transferred out only totals the amount being supplemented by the General fund budget. Examples of such transfers include, Airport, Recycling, Law Library, all employee fringe benefits, Veterans Services, Child Care, Capital Improvement, etc. Please refer to the Supplemental fund budget index for further information on these and other programs.

All County employees contribute toward the Health Insurance expense (9%), and Retirement expense (various percentages based on employee group). The County is also reimbursed for some of these expenses through various grant programs, Benzie County, 9-1-1/Central Dispatch, and the County Library. This is because the County provides payroll and fringe benefit services for all or a part of these organizations. Please refer to Supplemental Fund #260 for the complete revenue and expense fringe benefit budget.

It should be noted that the County's Election budget changes substantially from year to year depending on the election cycle. The FY 2016/17 budget reflects a year when election expenses are lower.

Attached to the budget is the County Board of Commissioners Strategic Plan, which was adopted in late summer 2014. Many of the goals established by the Board are reflected in this budget.

Hopefully, the information provided in this brief narrative of the budget will assist you in better understanding the general fund budget and its connection to supplemental fund budgets and various revenue generating programs. County Administration will continue to improve this narrative in future budgets. If you have specific questions, please contact the County Controller/Administrator at 231-398-3501 or by email at tdkaminski@manisteecountymi.gov.

RESOLUTION #2016-25

MANISTEE COUNTY BOARD OF COMMISSIONERS

COUNTY OF MANISTEE GENERAL APPROPRIATIONS ACT - 2016

A Resolution appropriating monies and adopting the FY 2016/17 Manistee County General Fund budget, and FY 2016/17 Supplemental Fund budgets.

It being the finding and opinion of the Manistee County Board of Commissioners:

The County Board of Commissioners have had under consideration the taxes of local units of government and the budgetary needs of various County departments/budgetary units.

The County Board of Commissioners, after considerable deliberations, has recommended adoption of the FY 2016/17 Budget.

In recognition of the above-listed findings and opinions:

The Manistee County Board of Commissioners hereby resolves to levy, under the General Property Tax Act, the total millage of 8.7300 mills for FY 2014/15 operations. Included in this total millage are:

County Allocated Operating	5.5000
County Library Voted	1.0000
Medical Care Voted	.5000
9-1-1 Voted	1.000
Dial-A-Ride Voted	.3300
Council on Aging Voted	.3000
Conservation District	.1000

The Board further resolves to adopt the FY 2016/17 General Fund Operating Budget at a total of \$10,983,512 and FY 2016/17 Supplemental Fund budgets totaling \$7,474,748.

The Board further resolves to approve all wage increases for FY 2016/17 in accordance with the Union Labor Contracts and various other agreements reached between the Manistee County Board of Commissioners, and the Elected Officials, employees, and Chief Judges of the Circuit, District, and Probate Courts.

The Board further resolves that the FY 2016/17 Budget will follow the philosophy of a line item expenditure control budget for all County Departments and Courts with specific end results with a basic approach as follows:

In the event that a department finishes the fiscal year with non-personnel related funds continuing to be available, one-half of that amount would be set aside into an account specifically dedicated to departmental purchases. That amount could be used in future years by the department to cover cost overruns. That amount could accrue from year to year to the benefit of the departments. Expenditures from that account could only be made for departmental services, equipment or programs. The other one-half of any annual budget underrun would revert to the General Fund balance for use at the discretion of the County Board of Commissioners. The Board resolves to implement this program subject to modifications which may be required and subject to elimination of the program after some experience if the plan does not provide the anticipated benefits.

The Board further resolves that an appropriation is not a mandate to spend but shall limit the amount which may be spent for such purposes as are defined by the Board of Commissioners and which shall be limited to the time period of October 1, 2016 through September 30, 2017. The Board further resolves that any County department, Court, agency, board, commission or unit whatsoever, and any organization, public or private, which accepts a County appropriation, shall do so subject to an agreement which provides for an inspection and/or audit by the Manistee County Board or its designee. The Board or its designee shall have access for the purpose of audit and examination to any and all books, documents, papers and records of the recipient organization. Each funded agency shall also be required to provide the County with its annual budget each year.

The Board further resolves that in the event the State of Michigan fails to provide certain revenue transfer payments as required by State law and/or contractual agreements between the State of Michigan and Manistee County, the specific programs funded by such State revenue transfer payments shall bear the full impact of such revenue reduction. In the event the State of Michigan defaults or otherwise fails to provide general, unrestricted revenue transfer payments, the Board, upon the recommendation of the Ways & Means Committee shall allocate said revenue reduction in its legislative judgment. **The Manistee County Board of Commissioners can not and will not absorb the program costs created by revenue transfer payment default by the State of Michigan.**

The Board further resolves that the budget may be amended as conditions indicate, provided the budget remains in a balanced state.

The Board further resolves to authorize the Board Chairman and County Clerk to sign the amended form L-4029 which is attached to this resolution, and which lists the millage to be levied on December 1, 2016 and July 1, 2017 totaling 8.7300 mills.

#2 LETTER SENT TO THE STAKEHOLDERS	29

Dear Colleagues and Friends,

We are pleased to present the first Strategic Plan for Manistee County prepared by the Manistee County Board of Commissioners with the facilitation assistance of the Alliance for Economic Success. This Strategic Plan was adopted September 9, 2014.

This is a time of dynamic change. Even while we are welcoming new and different employers and applauding positive, transformational initiatives and achievements throughout our County we also have increased demand for shrinking financial resources that support County programs, services and infrastructure. At the same time, there is a need for leadership to address needs and priorities that encompass health and human services, employment, natural resources and recreation, infrastructure and overall community development.

The need to unify the County's governing body around clear priorities and actions and opportunities was an important catalyst for preparing this Strategic Plan, as was the need to communicate our vision, missions and strategic goals with our many stakeholders.

We welcome and invite input on this plan and your participation and support in attaining the strategic goals for Manistee County.

Sincerely,

Ken Hilliard, Chair

STATE OF THE COUNTY LETTER

Manistee County has become recognized throughout Michigan as a place where communities are unifying around positive change, driven by a strong and open collaborative process that embraces all interests and views.

Many of our townships and villages have taken the lead by developing new, best practice master plans that are far more than documents simply satisfying state law – they are blueprints for community action and improvement.

County-wide, we are leveraging our iconic, diverse and abundant natural resources by making them available for use and enjoyment by people of all ages, needs and abilities. Increasingly, visitors, new residents and businesses are coming to Manistee, attracted by the “place” that has been and is being created.

Our manufacturing base is strong, getting stronger and is here to stay. We have tremendous opportunities to continue to build our manufacturing base, making best use of our human and natural assets.

The progress to strengthen Manistee’s downtown, anchored by the newly restored Vogue Theatre on one end and the marvelous new Lake Michigan beach facilities on the other will bring thousands of new visitors to our community.

We are improving and expanding accessibility and the quality of health care county-wide.

And we are doing all this while preserving the character, historic quality and uniqueness of our communities and special places.

While progress is being made, much remains to be done. A primary purpose of this Strategic Plan is to establish the collective priorities for action by the County Board of Commissioners so that the State of the County will continue to improve and be recognized by all as a place where people want to play, live and work.

ORGANIZATIONAL STRUCTURE

The Manistee County government organizational structure includes elected officials,, County departments, committees and boards, authorities, councils and commissions.

Elected officials are elected by the people of Manistee County and are directly responsible to their constituency. Many officials have offices with staff that work to carry out their mandated obligations.

The County Departments, while not elected, provide services to the residents of the County. Many of these services are either mandated by statute or are essential to the tasks of running of county government.

In order to effectively address issues and provide a link between County Board of Commissioners, who carries responsibility for the governance and those who are hired and appointed to govern the County, Commissioners sit on a number of Committees. The Committees are made up of County employees, elected officials and appointed officials. These Committees address a number of topics and are charged with specific functions.

In addition to the Committees, Commissioners and County staff work closely with a network of nonprofit organizations that address important needs and priorities throughout the County. Some of these support entities are County specific while others are regional and even State-wide organizations.

Together, the entities work together to ensure that the County is addressing the needs of its residents..

AREAS OF STRATEGIC FOCUS

The County Board of Commissioners developed goals, strategies and action items after a process of stakeholder input facilitated by the Alliance for Economic Success (AES) and careful deliberations. Based on input from stakeholders resulting in the development of seven areas of strategic focus and the corresponding goals:

GOALS, STRATEGIES AND ACTIONS

The areas of strategic focus and corresponding goals are:

1. **Economic and Community Development.** To have viable job options, economic opportunities and prosperous communities.
2. **County Government Operations.** To have the operations of the County Government be fiscally responsible, technologically innovative, striving for strong leadership held accountable, effectively communicating and providing safety to all citizens.
3. **Employment and Training.** To have a County where residents have quality education and training opportunities that allow them to reach their full potential.
4. **Health and Human Resources.** To be a County where you can receive affordable, quality medical care.
5. **Infrastructure.** To maintain public infrastructure and transportation services.
6. **Natural Resources.** To be good stewards of our natural resources
7. **Recreational Development.** Provide quality recreational opportunities to utilize the natural resources.

GOAL #1 ECONOMIC & COMMUNITY DEVELOPMENT: *TO HAVE VIABLE JOB OPTIONS, ECONOMIC OPPORTUNITIES AND PROSPEROUS COMMUNITIES.*

STRATEGY #1.1: DEVELOPMENT READY

To achieve a development ready county based upon the goals contained in township, village and tribal government plans and strategies.

ACTIONS:

- 1.1.1 Create an assessment coordinated by AES that identifies current regulatory processes and establishes partnerships for streamlining the permitting, licensing and approval processes, setting a high standard for responsiveness to business development and expansion.
- 1.1.2 The creation by AES of a standard approach where true development interests have a single point of contact for connecting them with all resources to achieve their business development goals in the most efficient way possible.
- 1.1.3 Strategic support provided by AES, to communities throughout the County to assist them in achieving their development priorities, ranging from infrastructure to business retention, expansion and attraction of businesses, development of alternative funding resources and the development of plans and strategies.
- 1.1.4 Support the development of a method to provide a “one stop shopping” for permitting whereby the County and AES acts as the ombudsman in providing uniformity while still honoring individual community authority and autonomy.

COUNTY IMPLEMENTATION TOOLS

The implementation of the County Strategic Plan is the responsibility of the County Board of Commissioners working in partnership with interests through the County and Michigan.

With that said, at their disposal is a number of County staff, appointed individuals, volunteers and other entities working to achieve common goals. The tools Commissioners' have to implement the plan are found within their statutory mandates established by State law Act 156 of 1851 County Boards of Commissioners. Among those tools authorized for Commissioners to utilize include setting a budget, monitoring expenditures, seeking funding, setting compensation, developing personnel policies, participate in programming, collaborating with local, regional, tribal and state governments and entities, making appointments, providing maintenance for County owned facilities, adopting ordinances and influencing and establishing (to some extent) policy.

In addition, Commissioners can and should use their position as the representative of the communities they represent and as a County, speaking in unity to state and federal lawmakers and other governmental bodies and officials to influence policy and actions for the betterment of the County.

VOLUNTEERISM AND LEADERSHIP TEAMS

To achieve productive and lasting results, it is critical that people and organizations strive to develop and work in unity for positive change.

This Strategic Plan invites, encourages and, in many cases, relies on the support and participation of people and organizations outside of County government to be part of the leadership driving positive change. Throughout the County, leadership teams have formed, largely driven by volunteers, as a means to get things done.

These leadership teams build community capacity, create economies of scale and build a critical mass for achieving remarkable results. In a time of shrinking financial resources, the County Board of Commissioners wants to both applaud and support these community-driven, volunteer-led initiatives that will be critical to achieving the shared goals of the County.

EVALUATIONS

It is strongly recommended that the County Board of Commissioners create a committee to review annually this Strategic Plan to ensure that it remains current and is being implemented. This Committee will also undertake the task of communicating the many accomplishments achieved during the course of the review period.

Further, the Alliance for Economic Success will work with the County Board of Commissioners in the preparation of an implementation tool that would assist them in achieving the goals, strategies and actions.

#2 LETTER SENT TO THE STAKEHOLDERS

Hello!

The Alliance for Economic Success is working to help the Manistee County Board of Commissioners prepare the first ever County Strategic Plan. In order to help the County Commissioners make decisions, AES is conducting stakeholder meetings to provide an opportunity for their voices to be heard. Ultimately, a process that is inclusive and transparent will result in a plan that is representative of the County. AES has met, and will continue to meet, with many folks representing a diverse range of interests in the County. We would like to meet with the Manufacturers Council to ask them a few questions. These questions are the same questions asked to all stakeholders interviewed.

The purpose of the strategic plan is to involve the commissioners, staff and key individuals and groups in preparing a plan that addresses the strategic priorities of Manistee County that are within the control of the County Board of Commissioners. The purpose of this meeting is to obtain your input about the opportunities and issues facing the County in the next three years, the priorities that ought to be addressed by the Commissioners.

The questions that we will be discussing are:

1. If you think about the next three years, what do you think are the most significant 3-4 opportunities for Manistee County that should and can be addressed by the County Commissioners? Any ideas about what should be done to ensure we do not lose or miss these opportunities?
2. IF you think about the next three years, what in your view are the 3-4 most important issues facing the County that can be addressed by the County Commissioners? What are your ideas about what should be done to address these issues?
3. How do you feel a county commission strategic plan will benefit the County?
4. How do you feel the completed strategic plan should be used by the Commission?
5. How do you feel the completed strategic plan should be shared with others?
6. Do you have concerns about the process or the results?

Thank you for your participation. All opinions are welcomed during the process. After today's discussion if you feel that you'd like to share additional information or thoughts, please feel free to contact us at 723-4325 or tamarabuswinka@charter.net.

Thank you so much for your time.

Sincerely,
Tim Ervin and Tamara Buswinka
