

Parcel Split Requests Planning Commission A Step-By-Step Guide

Requests for parcel splits can only be approved if the request meets the requirements of the Zoning Ordinance. The resulting split cannot create a parcel that does not meet the minimum dimensional requirements for the district (street frontage and parcel area). If there are structures on the parcel they must meet the side yard and/or rear yard setback as applicable.

It is the owner's responsibility to verify that there are no issues/objections to the request by any persons, firms or corporations having a legal or equitable interest in the land. The City does not conduct a title search for the property.
