

Sarah Howard

When Sarah was 7 years old, her family moved to Manistee from East Grand Rapids. She was raised in Manistee and went to school at Manistee Catholic Central.

After graduating from high school, she attended college at Siena Heights in Adrian, where she met her future husband, and they were married 6 years later.

In 1987 she took a position at a home care agency as coordinator of services. In 1988 she became the director of that company. When she became director, the company consisted of one office, in Ann Arbor. The company then grew to 9 offices throughout the state of Michigan, and became a very large operation.

Sarah joined the Manistee County Council on Aging in 2012 as Program Coordinator and eventually stepped into the position of Executive Director in 2013 when the current director moved out of state. She has been in that position for the past 7 years.
