

Introduction of Newly Elected & Appointed Officials

Heather Vasquez
Equalization Director

Heather has been recently hired as the Equalization Director. She has worked in the Equalization Department for the past 18 years. Prior positions include Property Description Specialist, Description Specialist/GIS Technician, and Deputy Director. She is currently a Michigan Advanced Assessing Officer with the State of Michigan. She adds that she works with a great

group of people and she feels truly grateful to live and work in Manistee!
