Special Use Permit Application

A Detailed Site Plan is required for all Special Uses

Please Print

Submission of Application		
<p>Applications must be submitted 30 days prior to the meeting for review for completeness. Applications shall be submitted through the Zoning Administrator to the Planning Commission. Each application shall be accompanied by the fee payment of \$750.00 in accordance with the schedule of fees adopted by the Township Board. An application shall be submitted to the Zoning Administrator on a Special Use application form. A Special Use application shall be placed on the agenda of the Planning Commission within thirty (30) days of the submission of a complete application prepared in accordance with this Zoning Ordinance. An application, which is incomplete or otherwise not in compliance with this Ordinance, shall not be processed until complete. No application shall be processed until properly prepared and submitted and all required fees and escrow payments paid in full.</p>

Data Required/Project Information		
Land Area:	Zoning Classification:	
Present/proposed Land Use:		
Attach a Detailed Narrative for the following		
<input type="checkbox"/>	A letter or signed narrative describing in detail the proposed special use and detailing why the location selected is appropriate.	
<input type="checkbox"/>	Applicant's statement of the expected effect of the special use on emergency service requirements, schools, automobile and truck circulation patterns, and local traffic volumes.	
<input type="checkbox"/>	Any additional material information necessary to consider the impact of the project upon adjacent properties and the general public as may be required by this ordinance, by the Township Zoning Administrator or the Planning Commission; including, but not limited to, measures which will be undertaken to control soil erosion, shoreline protection, excessive noise, or adverse impacts of the development on the surrounding properties; elevations on all buildings, including accessory buildings; and, an environmental assessment.	
<input type="checkbox"/>	Supporting statements, evidence, data, information and exhibits that address the standards and requirements for assessing Special Use permit applications as provided in Section 8607.	

Additional Information

Any additional information deemed necessary for the Planning Commission to determine the impact of the proposed Special Use on the adjacent properties, public infrastructure, and community as a whole. Such information may take the form of, but is not limited to, a traffic impact analysis, an environmental assessment, a market study, or reports and/or testimony by officials representing state, county or local departments of public safety (police and fire), health, highways or roads, and/or environment.

Special Use review procedures. An application for Special Use Approval shall be processed in accordance with **Article 86.**

Issuance of a Special Use permit. Special Use Permits shall be issued in accordance with **Section 8602.**

Appeals. No decision or condition related to a Special Use application shall be appealed to the Zoning Board of Appeals. An appeal of a Special Use decision or condition may be taken to Circuit Court.

Duration of Approval. The Special Use permit shall become effective upon Planning Commission approval and run with the land until the use ceases, expires, or the Special Use Permit holder requests termination of the Special Use Permit.

Amendments. Amendments to Special Use permits shall be handled in the same manner as the initial Special Use permit application. Minor non-substantive changes to a site plan in may be made to an existing Special Use permit if such a change is sought prior to the issuance of an occupancy permit for work authorized by Special Use Permit.

Transfers. Transfers shall be handled in accordance with **Section 8609.**

Expiration. A Special Use permit shall be valid for as long as the approved use continues in accordance with the terms and conditions of the approved permit. The Special Use permit will expire on the occurrence of one or more of the following conditions:

1. Work authorized by the SUP has not taken place within three hundred sixty-five (365) days.
2. If the applicant requests the rescinding of the Special Use permit.
3. If a condition of approval included stipulation to expire the Special Use permit by a certain date.
4. If replaced by another permitted use or Special Use permit.
5. If there is a failure to comply within 6 months after the certificate of occupancy issued.

Authorization
